Prelude

“Like a River Glorious”

Doris Driscoll

* Call to Worship

Come, let us worship the Lord our God, whose love quenches our thirst.

We are parched and thirsty for God’s healing word.

Let us praise God who is with us always.

We seek the one who will not desert us.

Let us open our hearts to God who calls us by name.

We come, seeking reconciled relationship with God. Amen.

* Invocation

* Opening Hymn

* Confession

If we say we have no sin, we are not being honest, and the truth is not in us. Therefore, we confess our true selves: that we have often ignored our own privilege even as we benefit from it. That we have not listened to the pain of others, but have instead dismissed it to keep ourselves comfortable. That we have not done the hard work of belonging to each other. We also confess that we are better than this: our sin is not all we are. With your help, God, we can change. We can listen. We can heal and bring healing to others. We confess this possibility, in the name of the One who makes all things possible. Amen.

* Assurance of Pardon

* Gloria Patri

*Glory be to the Father, and to the Son, and to the Holy Ghost:
as it was in the beginning, is now and ever shall be,
world without end. Amen, Amen.*
